Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a history of one of the oldest empires in history. From the first chapter: Some countries seem destined from their origin to become the battle-fields of the contending nations which environ them. Into such regions, and to their cost, neighbouring peoples come from century to century to settle their quarrels and bring to an issue the questions of supremacy which disturb their little corner of the world. The nations around are eager for the possession of a country thus situated; it is seized upon bit by bit, and in the strife dismembered and trodden underfoot: at best the only course open to its inhabitants is to join forces with one of its invaders, and while helping the intruder to overcome the rest, to secure for themselves a position of permanent servitude. Should some unlooked-for chance relieve them from the presence of their foreign lord, they will probably be quite incapable of profiting by the respite which fortune puts in their way, or of making any effectual attempt to organize themselves in view of future attacks. They tend to become split up into numerous rival communities, of which even the pettiest will aim at autonomy, keeping up a perpetual frontier war for the sake of becoming possessed of or of retaining a glorious sovereignty over a few acres of corn in the plains, or some wooded ravines in the mountains. Year after year there will be scenes of bloody conflict, in which petty armies will fight petty battles on behalf of petty interests, but so fiercely, and with such furious animosity, that the country will suffer from the strife as much as, or even more than, from...
