University Press of Kansas. Paperback. Book Condition: new. BRAND NEW, Freedom and the Court: Civil Rights and Liberties in the United States (8th), Henry J. Abraham, Barbara A. Perry, Since its original publication in 1967, "Freedom and the Court" has become the standard text on civil liberties law, with more than 100,000 copies in print. It also explains the ongoing impact of the Court's invalidation of the Religious Freedom Restoration Act of 1993, and it continues to include comprehensive charts for cases involving freedom of religion, separation of church and state, and gender that are unmatched by any other...
