WS Publishing. Board book. Book Condition: new. BRAND NEW, I Like to Learn Numbers: Hungry Chameleon, Alex A Lluch, The US Census Bureau estimates that over 8 million children enroll in nursery school or kindergarten every year. The educational success of these children depends largely on their knowledge of the alphabet, numbers, colors, and opposites. I Like to Learn Numbers: Counting Chameleon teaches children these fundamental skills in a fun, playful, yet very effective way. This whimsically illustrated book will help children learn their numbers with rich and colorful depictions of animals. The main character in Hungry Chameleon teaches counting skills as he ventures through the jungle in search of flies for his breakfast. The chameleon encounters a series of creatures in groups of one through ten until he finds the ten flies he's looking for. With beautiful hand-drawn illustrations, it's a fun and exciting way of learning numbers that kids will never tire of.
