

## My Last Addiction

Filesize: 1.33 MB

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Xlibris Corporation, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.1 Call this an act of love. Call it my memorial to Lily Strang. Call it the liner notes that will never be printed to accompany the box set of her compact discs that will certainly be released after her death, after the vultures at Sony Records decide to capitalize on her demise. Death is the best career move you can make in the music industry. Just look at Elvis or Jim Morrison, both infinitely bigger stars today than they would be alive, fat, disheveled, playing Vegas along with Wayne Newton. I once swore to Lily would she never burn out and now she never will. I know what will happen when that box set gets shipped, when the units, as we say in the Industry, hit the stores. The critics will start to reappraise Lily Strang. ROLLING STONE, which had a love-hate relationship with Lily from the start, will run a two-page spread of photographs, some unfaltering, some shot by Annie Leibovitz, along with one of their gushing eulogies that sound like they were written in marshmallow. The highbrow critics who turned on Lily after her first album, the NEW YORK TIMES and THE VILLAGE VOICE, will declare her a blazing genius once she is safely dead. I know what the TIMES is going to say because a friend there once swiped Lily's obituary for me. I assume the VOICE will be equally sanctimonious. But I can't forgive the bastards who savaged her best work for years. They made Lily cry, and there's no greater sin. Lawrence Richette 10 A lot of people wondered why Lily moved to London after...
