I here lay down to you the truth, and nothing but the truth: the naked and plain truth, which is here exposed so bare that the very pudenda are not covered, and affords many passages that would raise a blush in a young virgin s cheek. The selection includes a number of blush-making passages that were missed out of Andrew Clark s 1889 edition, including the speedy wooing of one of Thomas More s daughters, and the notorious tale of Walter Raleigh s al fresco love-making.
