paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 15303 Publisher: People's Health Publishing House Pub. Date: 2008-01. This textbook is in seeking some medical schools and students, hospital laboratory personnel and physicians on the basis of comments and suggestions written, sought to highlight the ideological, scientific, advanced, inspiring and applicable. Particular emphasis on clinical practice and broaden their knowledge, to accurate, concise, structured, focused and as the guiding ideology, so that readers can learn a comprehensive and systematic basis of clinical examination, the basic theory, basic knowledge and basic skills, but also for self-study to provide greater learning and thinking space. The textbook is divided into fifteen chapters, compared with the first edition has the following characteristics. 1 in maintaining the traditional basic clinical test study based on the content, add the following contents: the latest progress of the discipline at home and abroad, standardized methods and clinical knowledge to carry out new projects incorporated into the teaching of various sections. Such as semen analyzer, blood type identification system, our urinary sediment standardization proposal to enhance the application of immunology to test and so on. Increase the Thrombosis and Hemostasis general test chapter, to make the teaching materials more complete. To enhance the readers understanding of the learning and teaching materials, an increase in blood and urine of some sections of color pictures. The material increase in the index and the British references, self-help readers. (2) In order to avoid cross with other disciplines, to ensure the relative independence of the materials and systematic deletion of the following: According to the unified planning of this set of materials to highlight the professional knowledge, especially in quality control and evaluation methodology, delete operating part of...
