

The Secret of Jehovah

By Rev Steven C Brown DD

Createspace, United States, 2011. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****. This book is an attempt to answer the questions that I found difficult, such as: Why did David pick up five smooth stones from the creek? Did Goliath have brothers? If Jesus was with God in the beginning, what did He do? Where do we go when we die? What is the undisputed proof of Jesus eligibility to the priesthood? Could it possibly come from ancient Hebrew scrolls? Were Jesus and Satan brothers, as some religions would have it? Who are the nephilim? Can angels appear in human form? Can very old women get pregnant? What does the word salvation mean? Why was Jesus crucified? Creationism vs. Evolutionism. Which is right? Was Satan an angel? Who is King Og? This book attacks all of these questions and more. Answers to questions that we don't get in our churches or Synagogues or elsewhere. Certainly food for thought. This book never implies to have all the answers, but is a very good start on them. Perhaps after reading it, you can begin to discuss the possibilities with your friends...
