Solving Executive Function Challenges: Simple Ways to Get Kids with Autism Unstuck and on Target

By Lauren Kenworthy, Laura Gutermuth Anthony, Katie C. Alexander

Brookes Publishing Co, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. How can you help kids with autism be flexible, get organized, and work toward goals not just in school but in everyday life? It's all about executive function, and this quick problem-solving guide helps you explicitly teach these critical skills to high-functioning children with autism (Grades K-8). Used on its own or in tandem with the popular Unstuck and On Target! classroom curriculum, this practical guide shows how to embed executive function instruction in dozens of everyday scenarios, from morning routines to getting homework done. Designed for therapists, teachers, and parents, these highly effective techniques give children the skills they need to navigate each day, reach their goals, and succeed inside and outside the classroom. THIS BOOK HELPS YOU: Understand executive function why it's important and why it's challenging for children with autism Teach three skills critical to success: flexibility, goal setting, and organization Use consistent scripts and key words to help children process your message Model desired behaviors and fade your guidance as children generalize skills Provide simple, effective visual cues that keep kids unstuck and on...
