Pub Date: 2006 Pages: 128 Language: Chinese in Publisher: China Three Gorges Press agriculture. rural areas and farmers issues. relationships. social stability and economic development. the relationship of building a well-off society and building a new socialist countryside great strategic goals achieve. The party and the government has always attached great importance to the three rural issues. In recent years. the CPC Central Committee consecutive issued Document No. 1. stressed solve the three rural issue is the extreme importance of farmers' income. Plenum shortly before closing again stressed the need to continue to solve the three rural issues as the top priority of the party's work. and do everything possible to increase farmers' income. Currently. China's agricultural structure adjustment made significant progress in the rural economy developed steadily. However. the development of agriculture and rural economy. there are still some problems. prominent farmers' income is difficult still. If you do not increase the farmers' income. not only affect the farmers' living standards improve. but also restricts the development of the rural economy. affecting the entire national economic growth. Therefore. to solve the problem of farmers' income. the whole situation is of great significance. Take comprehensive measures to effectively help farmers increase their income. is an important task for agriculture and rural work. Increase farmers' income. to solve the three rural issue. on the one hand. to rely on the policy. on the other hand should attach great importance and give full play to the important role of science and technology. Science and technology to solve the problem of farmers' income support points and the key point. To promote the application of advanced agricultural science and technology to improve...
