Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a collection of flash fiction or very short fiction: six small stories equaling a typical story that I d normally write. One deals with a man who s lost his job and as a result has an emotional breakdown; another attempts to philosophically interpret an horrific dream; one interprets two of the Buddha s sutras connecting to another story in the collection; another is a metaphor on trying to fix a broken marriage; the last two strive to define hope amidst the chaos and the drama personified in the previous four stories with one reminiscing over being a teen and wide-eyed and the last finding tranquility in a new home.
