HarperCollins Publishers Inc, United States, 2013. Paperback. Book Condition: New. Reprint. 190 x 107 mm. Language: English . Brand New Book. While helping to excavate a newly unearthed chamber beneath the spectacular Palace of the Popes in Avignon, France, Miranda Lovelady--protegee of Dr. Bill Brockton--makes a startling discovery: a stone chest bearing an inscription declaring it holds the bones of Jesus of Nazareth. The find could rock the Church to its very foundations, and it draws Brockton from the Body Farm to determine the truth, using modern forensic science. But when Brockton and Miranda link the bones to the haunting image on the famous Shroud of Turin, their investigation sparks a deadly tug of war between scientists, the Vatican, and Apocalypse-obsessed fanatics--and a newly slain corpse soon appears on hallowed ground. Suddenly the search for answers to a mystery born in an ancient era has taken on a frightening urgency . . . as a crazed zealot waits in the shadows, determined to trigger the end of time.
