## Breach of Trust

By David Ellis

Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, Breach of Trust, David Ellis, 'The man with whom I was dining was a killer. And he was now feeling at ease, courtesy of a fake interview with a federal prosecutor, in which my fake legal memorandum, used to perpetrate a fraud, was being used to exonerate the two of us. I didn't know whom I could trust.' Trust no one. Jason Kolarich is investigating the murder of Ernesto Ramirez, a key witness in a criminal case that he tried. Jason had been pushing him for information, but all he got was the guy's death on his conscience. Who murdered Ramirez, and why? When the evidence leads to an obscure agency in state government, Jason is hood-winked into being a federal informant. The feds are desperate to build their case against the government, but Jason's got his own agenda. Will he be an asset to their case, or will he prove to be a live wire? In this riveting thriller Ellis relies on his experience and expertise to deliver a gritty tale of political corruption and murder at the highest levels of government.

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Brennan Koelpin**

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
