Are there strong reasons to believe? Does God really exist? What type of God is that? Is the God of the Bible still active today? Is the Bible reliable? How does Jesus make God known? What is the Christian world-view? Is God really interested in what I do now? How sure can I be of spiritual reality? Why is faith so important for Christians? Is my faith real, when I occasionally struggle with doubt? This is a book for unbelievers who are seeking a dependable faith. It is also a book for believers who sometimes have genuine doubts about their own faith. It is also for Christians who are keen to give answers to honest questions from their thoughtful friends. It is written with the conviction that Christianity is a reasonable faith. Moreover, the Christian story works: it changes people for the better, it is satisfying and it gives meaning to life. Is it worth your faith?.
