We are grateful for the support and guidance the Members of this Committee have provided the Department. The Office of Management and Budget recently announced that DOE has made the most progress among cabinet-level agencies in the implementation of the Presidents Management Agenda. OMB issued a scorecard that evaluates agency performance in the areas of human capital, competitive sourcing, financial management, e-government, and budget performance integration. OMB recognized the Department as the cabinet-level agency leading the pack with regard to management improvement. One hallmark of that leadership centers on defining the mission of the Department. From our first days in office we stressed that the overriding umbrella under which the operation of this Department takes place is a mission of national security. In addition to the progress we have made on management and mission definition, we have made great progress in a number of our program areas. We have implemented changes that have fundamentally reformed DOEs Environmental Management program. Complex-wide, we have taken an approach to accelerated cleanup that says we will not allow the legacy of the work done in the weapons complex to be part of a communitys burden for future generations. At the beginning of this Administration, the timetable for completing cleanup at all sites was 70 years. Today, we have implemented reforms to accelerate completion of the cleanup program by 35 years, saving American taxpayers as much as 50 billion...
