Annie's. Paperback. Book Condition: new. BRAND NEW, The Go-to Book for Irish Crochet Motifs, Kathryn White, If you have ever tried to make an Irish crochet motif using Vintage pattern books, you most likely ended up confused, frustrated and a bit bewildered. The patterns are at best a bit vague. Written in unclear versions and imprecise wording that makes these patterns hard for the average crocheter to interpret. The purpose of this book is to take these lovely motifs and write them in such a manner that they make sense to the modern day crocheter. Thus these stunning motifs will be preserved and used now and in the future. Ten chapters include Stitches & techniques, Flowers, Leaves, Fill in motifs, Edgings and insertions, Dangles, Overlays, Fill in Lace, Assembly, and Squares or motifs.
