Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The CURSED book series is an investigation into the paranormal, the unexplained, local lore and upholds the preservation of history, culture and architectural landmarks. How it differs from what is already out there: Many of the popular Non-Fictional Ghost/Paranormal TV shows (for entertainment purposes) have been glamorized and have producers on board that feel they have to present something paranormal to the audience and have a tenancy to add in false items to spice the story up and to mislead the viewers. The reality of the situation is 90 of the time when a haunted location is investigated nothing happens. When we visit a location we educate ourselves prior to the visit concerning the story behind the lore and take it into account and attempt to either confirm or disprove the different stories, and usually there are several different versions of the same legend. Whether the stories are true or false and regardless of the lore and possible tales of hauntings, we always document what we find thru photos, videos and draft up a report of what may have occurred for public record and for the CURSED version of the book. CURSED also is not limited to ghost hunting as many of the current TV shows are, we also believe in preserving our local legends and history. Many of the former Asylums ( and abandoned buildings) are considered an eyesore and a burden to the community, so investors and people with no appreciation for history come in and buy the land up to use for strip malls, super stores or condos, effectively destroying all the history and lore that might have been associated with the location. Yes it...
