## THE PARENT'S GUIDE TO IN-HOME ABA PROGRAMS

[DOWNLOAD](#)

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, The Parent's Guide to In-home ABA Programs, Elle Olivia Johnson, What is Applied Behavior Analysis? What will happen when an ABA therapist comes into my home? Most importantly, how can ABA help my child? This quick guide answers all of the common questions that parents have when beginning an in-home ABA program. ABA is an effective intervention for children with autism and other developmental disorders, but all of the data collection, reinforcement, and strange lingo can be confusing for parents who are not familiar with ABA therapy. Concise and practical, this handbook explains the ins and outs of Applied Behavior Analysis in a chatty question and answer format addressing everything parents need to know from what a typical session will entail, to how to navigate their relationship with their therapist, to how to get more involved and begin using ABA methods themselves. This book is an ideal introduction for parents to help them understand and get the most out of their child's ABA treatment. It will also be a useful resource for newly-qualified ABA therapists and for ABA agencies to use with clients.
