Christmas Summary Classics This series contains summary of Classic books such as Emma, Arne, Arabian Nights, Pride and prejudice, Tower of London, Wealth of Nations etc. Each book is specially crafted after reading complete book in less than 30 pages. One who wants to get joy of book reading especially in very less time can go for it. About the Book Clarissa Harlowe, written after Pamela, brought Richardson a European reputation. The first four volumes of the novel appeared in 1747, the last four in 1748, and during the next few years translations were being executed in French and German. Like Pamela, the story itself is thin and simple, but the characters are drawn with a bolder and surer touch. No work had appeared before, says Scott, perhaps none has appeared since, containing so many direct appeals to the passions. Yet opinions were singularly divided as to its merits. Dr. Johnson said that the novel enlarged the knowledge of human nature. For more eBooks visit www.kartindo.com This item ships from La Vergne, TN. Paperback.
