

Breaking Free: A Living Again Novella

By L L Collins

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Alexis Carson-Nichols has had what anyone would describe as an idyllic childhood. She has great parents, little brothers and sister that mean the world to her, and friends that are always there for her. As she graduates from high school and gets ready to go to college, she feels like she has the world at her fingertips. She can't wait to experience life as a young adult. Maybe even get a boyfriend. as long as her school comes first. What she doesn't expect is to meet Greer Henderson. Greer hasn't had a life anything like Alexis . Sure, he's had the parents that loved him, but that was about it. He's never been understood or even tolerated. He's spent his life in a constant state of inner chaos and outer turmoil. See, Greer has Aspergers. When he finally gets up enough courage to take a few classes at his local college, he becomes lab partners with Alexis. He thinks she's the most beautiful person he's ever laid eyes on, but he...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
