

Growing and Eating Green

By Suzy Gazlay

Crabtree Publishing Co, Canada. Paperback. Book Condition: new. BRAND NEW, Growing and Eating Green, Suzy Gazlay, "Green-Collar Careers" is a fascinating new series that focuses on 'green' careers. The scope of the fields is broad and detailed, showing all kinds of rewarding and interesting jobs that address issues of conservation and environmentalism. Each title in the series features: mind-portraits of people working in careers; a special section to help readers explore their own interest in, and aptitude for, each field; and, further information, additional readings, and websites. Come inside for a fresh look at careers in 'green' food, from planting to cultivation, and merchandising to selling. In addition to the 'greening' of conventional methods of food production, this book examines careers in alternative energy, equipment, packaging, and delivery systems.

Reviews

This pdf is really gripping and intriguing. It was actually written very completely and beneficial. You won't really feel monotony at whenever you want of your time (that's what catalogues are for about in the event you request me).

-- Ms. Gracie Nicolas

A very awesome ebook with perfect and lucid information. It is really simplified but unexpected situations in the 50 % of your pdf. I am pleased to let you know that here is the greatest book I have studied inside my very own lifestyle and can be the greatest ebook for at any time.
