Pearson Education (US), United States, 2013. Online resource. Book Condition: New. Student. 229 x 165 mm. Language: English . Brand New Book. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Packages Access codes for Pearson's MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- This access code card gives you access to all of MyPsychLab's tools and resources, including a complete eText of your book. You can also buy immediate access to MyPsychLab with Pearson eText online with a credit card at The Big Picture of Child Development. The exciting first edition of Child Development: A Topical Approach is arranged in a way that helps students to see the big picture of development across the entire span of childhood and adolescence. Offering a modular approach, this text provides a broad overview of the field of child development. It covers major topics such as physical development, cognitive development, and social and personality development. Child Development captures the discipline...
