Dimensions: 9.7in. x 7.4in. x 0.2in.The Metropolitan Washington Airports Act of 1986 transferred operating responsibility for Dulles and Reagan National Airports from the federal government to the Metropolitan Washington Airports Authority (MWAA), an independent, nonfederal, public entity. MWAA, which has a 50-year lease to run the two airports, has entered into a wide range of contracts for supplies, construction, and other services. Although MWAA issued guidance in 1993 for the awarding of contracts and concession franchises, GAO found that the guidance does not adequately reflect competitive contracting principles and is out of date in many respects. Moreover, MWAA does not use its guidance to award contracts for non-concession goods and services. MWAA did not obtain full and open competition for 15 of the 35 contracts GAO reviewed, raising concerns about whether MWAA obtained the best value for the goods and services provided. The failure to obtain full and open competition also raises concerns about whether MWAA has (1) deprived prospective contractors of the chance to compete for contracts and (2) fairly evaluated all of the contractors that have competed for procurements. Finally, by not following recognized competitive principles, MWAA could be giving the appearance of favoritism in its contracting decisions. This item ships from La Vergne,TN. Paperback.
