

## Werwolves

By Elliott O Donnell

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 277 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Today, werewolves are known to be mythical creatures found in fiction instead of lurking in the dark woods, but that was not always the case. Not so long ago, belief in werewolves was common. Overall, there was little difference between the killings and activities of wolves and werewolves: both would hunt at night, attacking sheep or livestock, and sometimes humans. The main difference was, of course, that the werewolf changed into human form at some point. There are several medical conditions that can mimic the appearance of a werewolf and may have contributed to early belief in the literal existence of the creatures. One is hypertrichosis, which creates unusually long hair on the face and body; a second condition, porphyria, is characterized by extreme sensitivity to light (thus encouraging its victims to only go out at night), seizures, anxiety, and other symptoms. Neither of these rare conditions turns anyone into a werewolf, of course, but centuries ago when belief in witches, vampires, and magic was common it didn't take much to spawn werewolf stories....
