Heinemann USA, United States, 2013. Paperback. Book Condition: New. 234 x 190 mm. Language: English . Brand New Book. This is no recipe book: I have tried not to be formulaic. Rather, I want to suggest the richness of options, the myriad possibilities open to the writer at any given moment. Young writers need to know what can be done with language. -Ralph Fletcher For more than 20 years, Ralph Fletcher's *What a Writer Needs* has been a beloved bestseller, trusted in classrooms, district inservices, and teacher-preparation programs across the U.S. Now Ralph's second edition makes *What a Writer Needs* an even more powerful tool for turning students into writers-and for teachers to improve their own writing. In *What A Writer Needs*, Ralph presents a crash course on the elements of writing, with chapters on how to create vivid details, compelling voice, a sense of place, believable characters, tension, engaging leads and endings, just to name a few. Readers will develop a deeper, more profound knowledge of writing and will find the book eminently practical as well. In fact, Ralph has added two entirely new chapters on revision and nonfiction writing that are immediately useful for meeting Common Core writing standards. It also includes a completely updated list of suggested mentor texts, handpicked by Ralph, and sorted by the craft element each demonstrates. *What A Writer Needs, Second Edition*, is a desert-island book for any writing teacher. Personal and anecdotal, it includes a wealth of lively writing samples drawn both from student writers and professionals. Experience Ralph's keen instructional insight, his careful attention to students and their work, and his experienced-honed wisdom about the essentials of great writing.
