Dimensions: 11.3in. x 8.4in. x 0.2in.Dancing with Dragonflies is a fable written for children and adults of all ages. It may be read out loud in less than 20 minutes, making it a good length for a bedtime story. The tale is about a princess and a knight named Lirona and Zohar. They meet while on separate journeys and continue on different paths in search of treasure. With the help of a little magic supplied by a mysterious old woman called Adamina, they find themselves where they first met, and continue their journey together to discover something more valuable than any precious gem. Among other things, the book encourages the ability to see opportunity, and the courage to act upon it. It also advocates work, balance, cooperation, perseverance and self-determination. The words and whimsical illustrations work together to form a contemporary trip into the past and the future.
