# I EXPLORE: A SCIENCE TEXTBOOK, 2

Cambridge University Press, 2010. Softcover. Book Condition: New. I Explore is an eight-level series of textbooks in science for school students. As envisaged in the National Curriculum Framework (2005) guidelines, these books have been designed to present science as a living body of knowledge where students are encouraged and guided to make exploratory forays of their own. These books comprehensively deal with all the elementary aspects of science in a graded manner and help in forming basic ideas about nature...
