Shepard Publications, United States, 2008. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.If you think Superman or Spiderman has been around a long time, think about Monkey. He has been China's favorite superhero for at least five centuries. He's amazingly strong, he can fly, and he has a few tricks those other superheroes never heard of. And he's always ready to do battle with demons, dragons -- sometimes even the gods. Monkey stars in *The Journey to the West*, an epic comic fantasy from the sixteenth century. The part retold here is about Monkey's origin and early career -- and the one time he didn't come out on top. For ages 10 and up. Not illustrated! // Aaron Shepard is the award-winning author of *The Baker's Dozen*, *The Sea King's Daughter*, *The Monkey King*, and many more children's books. His stories have appeared often in *Cricket* magazine, while his Web site is known internationally as a prime resource for folktales, storytelling, and reader's theater. Once a professional storyteller, Aaron specializes in lively retellings of folktales and other traditional literature, which have won him honors from the American Library Association, the New York Public Library, the Bank Street College of Education, the National Council for the Social Studies, and the American Folklore Society. // SAMPLE Here I am, only four hundred years old, said the Monkey King, and I've already reached the heights of greatness. Your Majesty, said the gibbon carefully, we have ever been grateful for that time four centuries ago when you hatched from the stone, wandered into our midst, and found for...
