BookSurge Publishing. Paperback. Book Condition: New. Paperback. 544 pages. Dimensions: 8.0in. x 5.2in. x 1.2in. This is the first book in the Words of Wisdom series written by Tatyana N. Mickushina. It is the biggest volume of all and it contains the very essence of wisdom, love and light of the Ascended Masters. The subsequent eleven books just complement the knowledge given in this one. This book consists of 119 texts or messages received by Tatyana from the Masters of Wisdom (known to the current generation as Ascended Masters) during her special meditation practice. Every message is a pearl of wisdom, love and Divine energy. It is a healing ray of help shining from Heaven to Earth. The very minute you start reading the messages you will feel the vibrant energy flow behind the letters of the text. Every message is devoted to a certain topic touching upon various areas of human life. Ascended Masters are most concerned with the well-being of planet Earth and with the well-being of the souls of the billions of people living on the planet today. What is special about this book is that the Masters focus on the current state of the planet the way it is today. They give direct and specific recommendations by following which people can overcome the tough karmic situation that exists on earth today. The advice is given specifically for our time, for the stage we are at these days. Simply reading one message a day is enough for the readers to change their consciousness. A gradual change in lifestyle will follow naturally. And in a few months time the readers will notice, to their surprise, that the world around them has changed. How did that happen? The Masters would answer: the only real way to change the world around...
