Some of them included putting poisoning Pat s food. Pat tried to give Jimmy a normal childhood, but he was not without his emotional problems that put a damper on things from time to time. After Jimmy s father died, he grew up to be a successful man, got married and had children. When Jimmy took his family on vacation, they met a tragic accident, leaving him in a coma, his children being placed in foster homes, and his wife dead. Once Jimmy came out of the coma, he was left facing some demons of his own. Megan, the doctor, who had the same first name as his dead wife, fell for Jimmy, and she persuaded him to get married. Jimmy decided to investigate his mother s death and while locating relatives, he ran into a cousin who tried to blackmail him. Jimmy once again, faces death. Who Am I?
